Rebuilding Together.

At Rebuilding Together Pittsburgh, we know that homeownership is foundational to strong, thriving communities. Yet across our region, many homeowners are navigating rising costs, from inflation and increasing utility bills to the growing expense of maintaining an aging home. For far too many families, these pressures make it harder to keep their homes safe, healthy, and energy-efficient, putting long-term housing stability at risk.

Our work helps ensure that homeowners, particularly in historically underinvested neighborhoods, can remain in the homes and communities they care deeply about. By addressing critical repairs, we prevent small issues from becoming crises and help preserve both individual homes and the stability of entire neighborhoods.

By sponsoring Topgolf Fore Safe and Healthy Homes, you are making a direct and lasting investment in this work. Your support helps fund the materials, tools, and skilled labor needed to complete essential repairs at no cost to homeowners; improving safety, health, and overall quality of life.

For many families, their home is their most important financial asset. Preserving that asset—especially in communities impacted by longstanding housing inequities—supports long-term stability and creates pathways toward generational wealth.

Decades of disinvestment have shaped the housing challenges we see today, but meaningful, community-centered investment can help change that trajectory. Your partnership allows us to meet urgent needs while advancing more equitable, resilient neighborhoods across Pittsburgh.

We invite you to join us in making a tangible difference. Together, we can ensure more of our neighbors have a safe, healthy, and stable place to call home.

ABOUT TOPGOLF

Join us for an evening of high spirited competition at Rebuilding Together's third annual Topgolf fundraiser! The event will feature three hours of competitive play in Topgolf's climate controlled hitting bays and access to a Topgolf pro for tips.

The fun and games don't stop there! Indulge in our open bar and delicious food stations. What could be better?

No golfing ability? No problem!

Topgolf is a game that anyone can play (and win!). Score points by hitting micro-chipped golf balls at giant dartboard-like targets on an outfield. Balls hit closest to the center of the target and furthest away from the bay have the highest point value.
