# Get Involved

At RTP, we know homeownership is central to building strong communities. However, a legacy of systemic issues—such as disinvestment, discriminatory housing policies, and economic disparities—have made it increasingly challenging for many homeowners to maintain safe, healthy, and energy-efficient homes.

Homeowners face rising property taxes, high repair costs, and the financial burden of much needed energy efficiency upgrades. Our work focuses on addressing these barriers, ensuring families can stay in their homes and continue contributing to the vibrancy of our communities. By investing in home repairs and improvements, we work to break this ongoing cycle that puts the safety, health, and stability of Pittsburgh's homes and neighborhoods at risk.

As a sponsor, you'll partner with Rebuilding Together Pittsburgh (RTP) in our efforts to provide zero-cost home repairs for low- to moderate-income homeowners, driving community revitalization and promoting equity across Pittsburgh's neighborhoods.

**Why Rebuilding Together Pittsburgh?**

- Direct Community Impact: Your sponsorship directly supports the cost of materials, tools, and staff time needed for critical home repairs; creating safer, healthier living conditions for our neighbors.
- Build Generational Wealth: Many families' greatest financial asset is their home. By preserving this asset, especially in areas where systemic inequities have made it difficult to keep homes safe and functional, we're helping homeowners build generational wealth. Your support empowers families to maintain ownership, securing stability and opportunities for future generations.
- Promote Equity: Housing inequity continues to be a significant challenge for many families in our region. By sponsoring RTP, you're directly supporting efforts to break down the systemic barriers that have long denied low- to moderate-income homeowners access to quality home repair services and create more opportunities for homeowners to thrive.

Thank you for considering this opportunity to support Pittsburgh homeowners in need. Feel free to contact me at 360.393.7804 or asnow@rtpittsburgh to chat about how you can get involved. Together, we can revitalize communities, one home at a time.
